

DARICO

The 'how to contribute guide' to participate in our DEC token sale

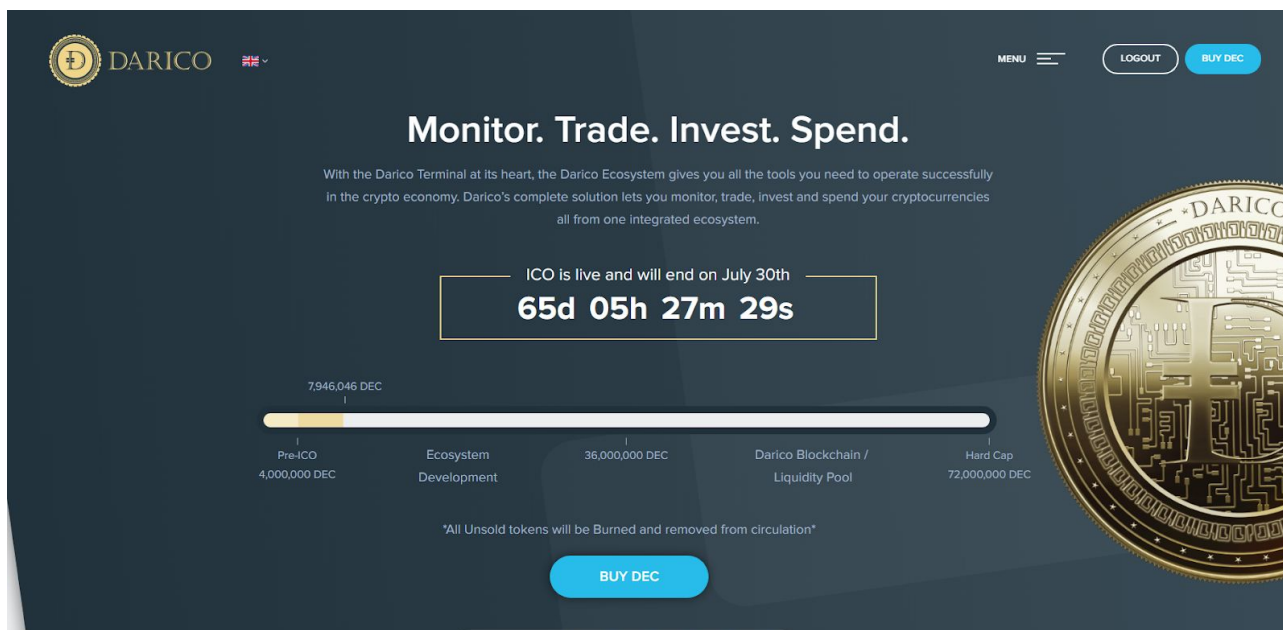

Looking to purchase DEC? Our easy to understand guide will help you to make your contribution in no time. We've made it simple and easy to do, and with access to your personal dashboard, you can keep track of all of your DEC transactions.

Our token sale runs from the 30th January - 30th July. Please make sure to read our whitepaper - <https://darico.io/en/Darico-Whitepaper.pdf> - to understand the full offer and our token sale terms.

Let's start!

KYC PROCESS

To begin, go on our website and click BUY DEC:

Please carefully put in all your personal information that is required for our KYC process:

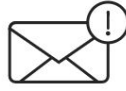

PERSONAL INFORMATION

Already registered? [LOGIN](#)

First Name (as shown in Government ID)*	Middle Name (as shown in Government ID)	Last Name (as shown in Government ID)*
<input type="text"/>	<input type="text"/>	<input type="text"/>
E-mail*	Phone Number (including area code)*	
<input type="text"/>	<input type="text"/>	

The 'how to contribute guide' to participate in our DEC token sale

Once you have done that, click NEXT and follow the instructions on your screen:

PLEASE CHECK YOUR EMAIL.

In order to continue the registration process, please open your e-mail and verify your account.
If you don't receive the confirmation email, please make sure to also check your junk / spam folder. If you still don't receive it then email reach@darico.io.

Once you have found the email sent to you and have clicked on the verification link in the email you are ready to set your password. Once you have put in your chosen password twice, click SET MY PASSWORD.

ACCOUNT CREATION

Please set your new password.

New password *

New password confirmation *

SET MY PASSWORD

Please read the information on your screen carefully and if you are in agreement, click the box 'I agree' and the box to give consent to process your personal data as specified. Click 'Proceed' to continue to the next step.

To get your account verified, follow the steps after agreeing to our conditions.

should be more than 500KB and
300DPI

Choose to upload

The next step is to verify your address. Please upload one of the following documents that are outlined on the page as shown below and once done so, click Proceed.

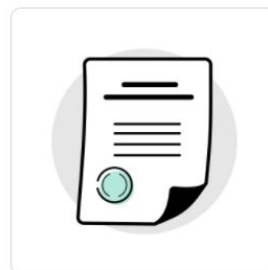

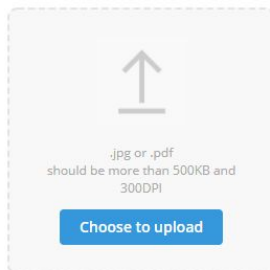

[Help](#)

Now we will verify your address. Please upload one of the following documents:

- Bank statements
- Utility bills
- Internet/Cable TV/House phone line bills
- Tax returns
- Council tax bills
- The Government issued Certifications of Residency, etc

We cannot accept screenshots, mobile phone bills, medical bills, credit card statements, receipts for purchases, or insurance statements. Utility bill must be issued within the last 3 months.

[Proceed →](#)

You will be taken to your personal dashboard where you can see the status of your KYC approval, any DEC ordered or purchased, the current bonus as well as any rewards that you have accumulated.

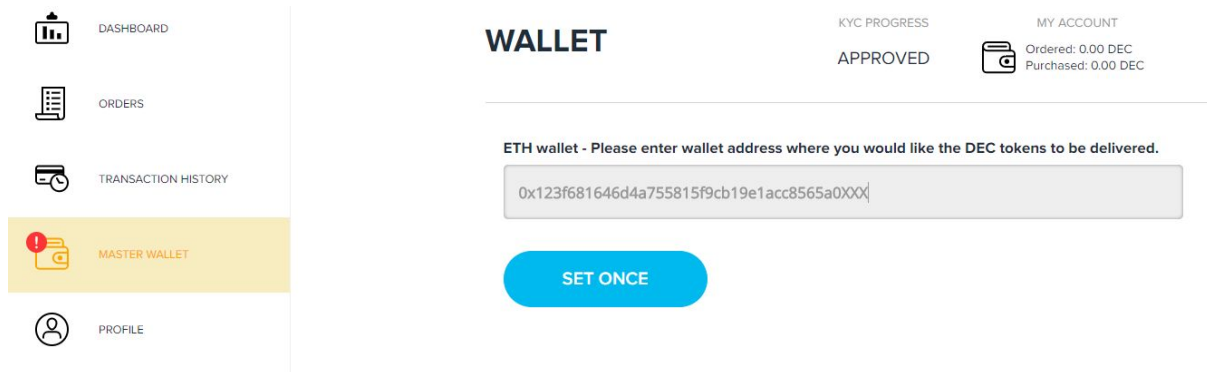

An email will be send to you once your KYC has been approved.

The dashboard is divided into several sections. On the left is a navigation menu with icons for Dashboard, Orders, Transaction History, Master Wallet, Profile, Telegram, Youtube, Twitter, LinkedIn, and Referral. The main content area is titled "DASHBOARD" and includes a "KYC PROGRESS" section with "APPROVED" status, a "MY ACCOUNT" section with "Ordered: 0.00 DEC" and "Purchase: 0.00 DEC", a "CURRENT BONUS" section with "20%", and a "REWARDS" section with "100.00 DEC". Below this is a "BUY DEC NOW" button and three summary boxes: "Pre-ICO raised US \$2,000,000", "Current bonus 20%", and "Current bonus ends in 24d 20h 07m 45s". At the bottom is a progress bar for DEC tokens, showing 7,881,312 DEC out of a total of 144,000,000 DEC.

The 'how to contribute guide' to participate in our DEC token sale

SET MASTER WALLET

Please click on Master Wallet on your dashboard and put in your personal ETH wallet address to which your DEC will be distributed. Please note this can only be set once, so make sure to input it correctly.

Finally! You are now ready to place an order and purchase DEC.

PLACING AN ORDER

Click BUY DEC NOW on the dashboard to first place an order.

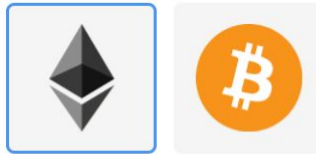

Please select your preferred payment method. We will be using ETH for our guide. Please fill in the amount of ETH for which you'd like to purchase DEC. The time dependable bonus is automatically calculated and you will see the amount of DEC you will receive.

Take some time to read through the sales agreement and tick the box to continue. Click CONFIRM.

PAYMENT METHOD

Exchange rates 1 ETH = 767 DEC
1 BTC = 13623 DEC

Please select your preferred method to fund your account.

CONFIRM

A short summary of your order will appear on the screen. You will also receive an email with the same details and a link to place additional orders.

All that is left to do now is to send your funds from your MEW Wallet.

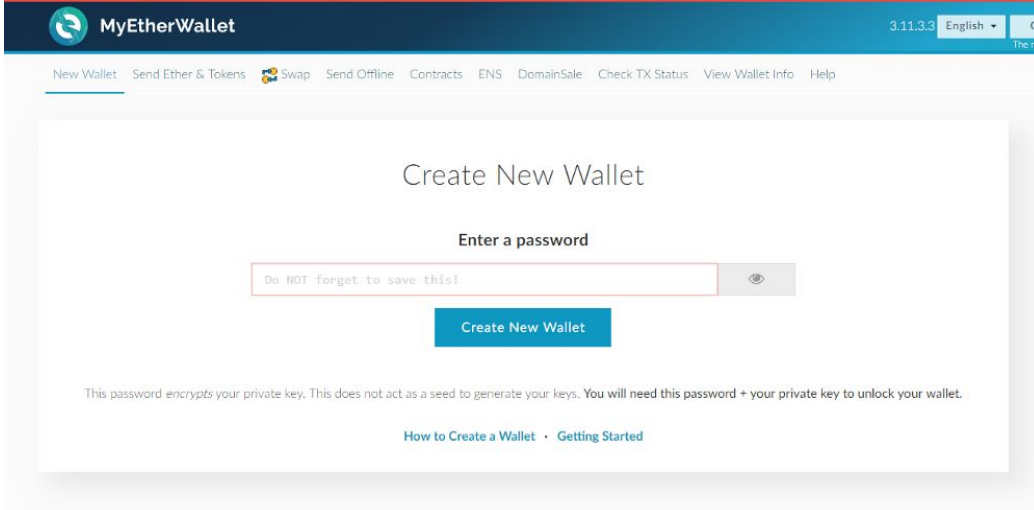

SENDING YOUR FUNDS

In case this process is new to you, we'd like to take to explain how to setup your MEW Wallet to be able to transfer funds from to purchase DEC.

Step 1 - Setting up your MEW Wallet

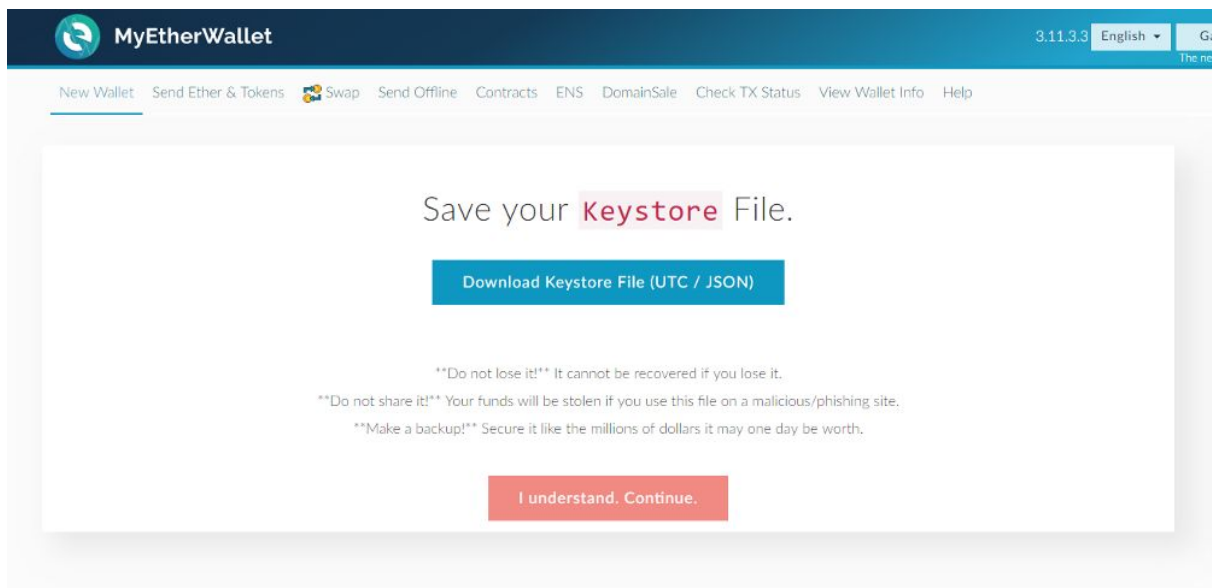

NOTE: IF YOU ALREADY HAVE A MEW WALLET, A HARDWARE WALLET OR ANY ETH BASED WALLET YOU CAN SKIP STEP 1 INSTRUCTIONS AND MOVE ON TO STEP 2. We recommend MyEtherWallet <https://www.myetherwallet.com/> as the preferred method for transferring ETH.

To setup a new wallet select the New Wallet tab on the left of your screen and you will see the following page:

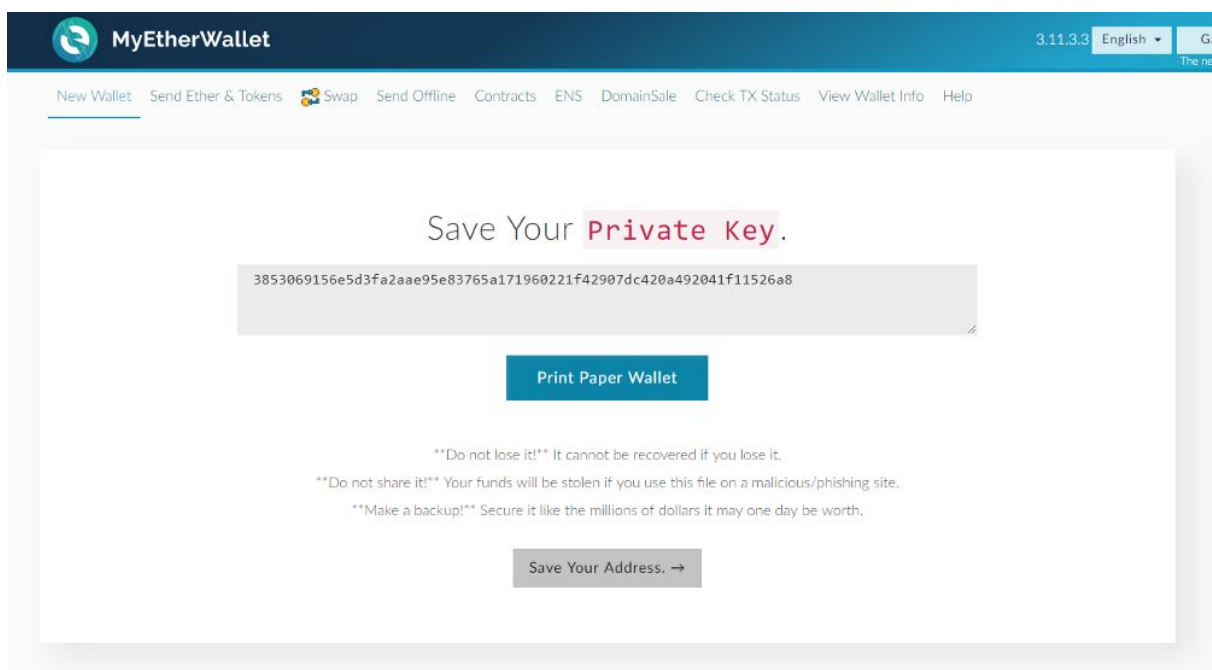

The screenshot shows the MyEtherWallet interface. At the top, there's a dark blue header with the MyEtherWallet logo on the left and version information (3.11.3.3) and language settings (English) on the right. Below the header is a navigation bar with links: New Wallet, Send Ether & Tokens, Swap, Send Offline, Contracts, ENS, DomainSale, Check TX Status, View Wallet Info, and Help. The main content area is white and features the heading 'Create New Wallet'. Underneath is the prompt 'Enter a password' followed by a text input field containing the warning 'Do NOT forget to save this!'. To the right of the input field is an eye icon for toggling password visibility. Below the input field is a blue button labeled 'Create New Wallet'. At the bottom of the form, there is a warning message: 'This password encrypts your private key. This does not act as a seed to generate your keys. You will need this password + your private key to unlock your wallet.' and two links: 'How to Create a Wallet' and 'Getting Started'.

Select a password for your new wallet, ensuring that you store this password in a safe place. You will need your password and your Keystore File together in order to unlock your wallet. When you have entered your password select “Create New Wallet”. You will now see the following screen:

You will now have the option to download your Keystore file. Click 'Download Keystore File (UTC/JSON)' as seen in the image above. This can be used to access your wallet along with with your password and should also be stored in a safe, secure place.

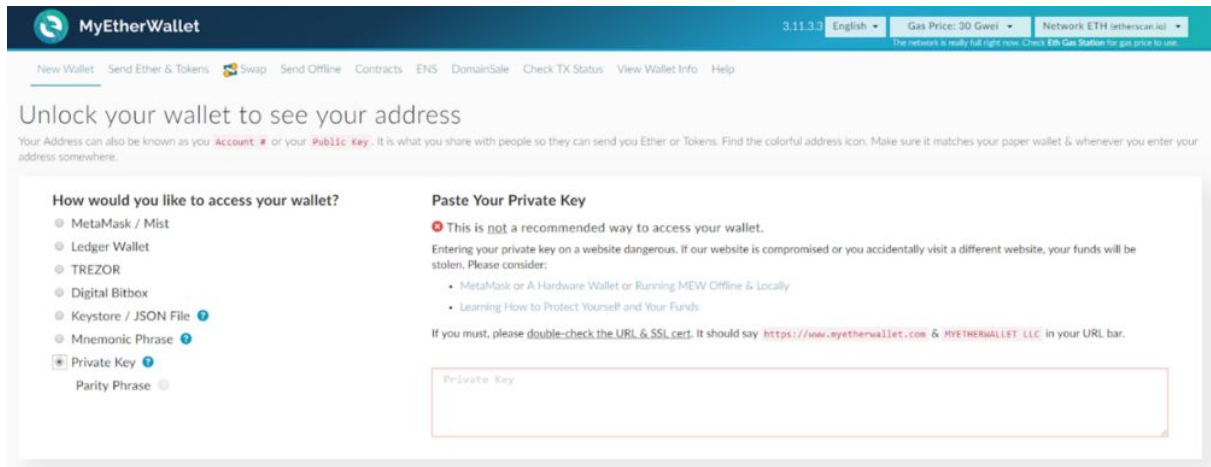

When your Keystore File is backed up safely click "I understand. Continue." The following image is an example of the page that will appear:

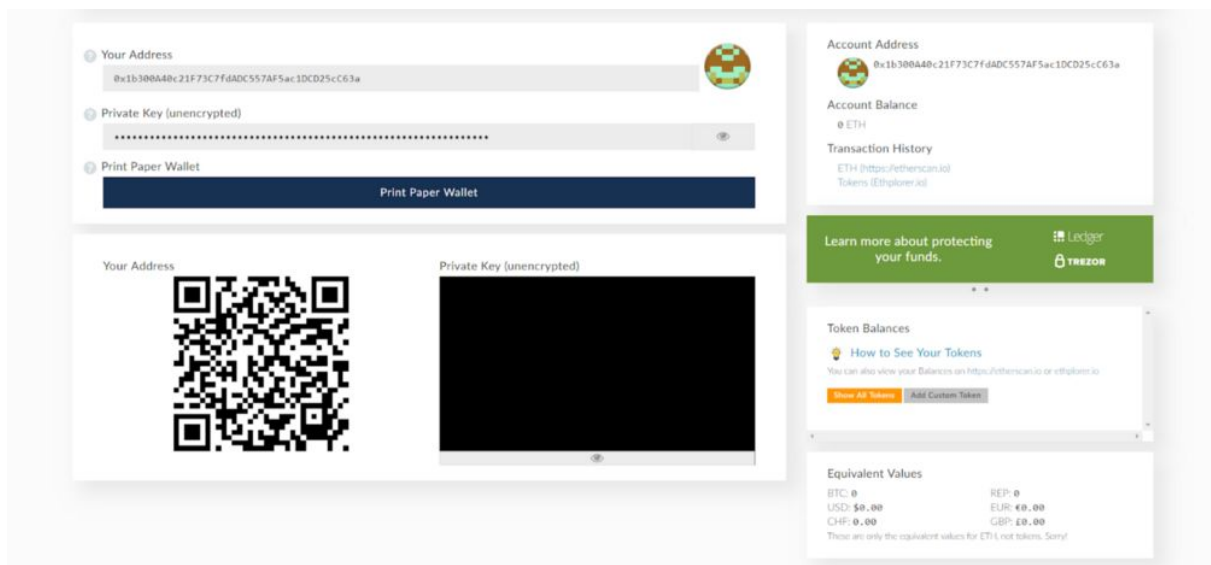

Finally you are required to backup your Private Key itself. This key provides access to your wallet, so it is important to store it securely, as without it you will not be able to get back into your wallet and could therefore lose your funds. You also have an option to print a paper wallet as an alternative means of backup.

Once your Private Key is stored safely, click "Save Your Address" to continue. The following screen will appear:

[The 'how to contribute guide' to participate in our DEC token sale](#)

You can choose to enter your Private Key or Keystore File and password combination to unlock your wallet. The screen below shows what you will see when your wallet unlocked. Take note of your wallet address for future reference.

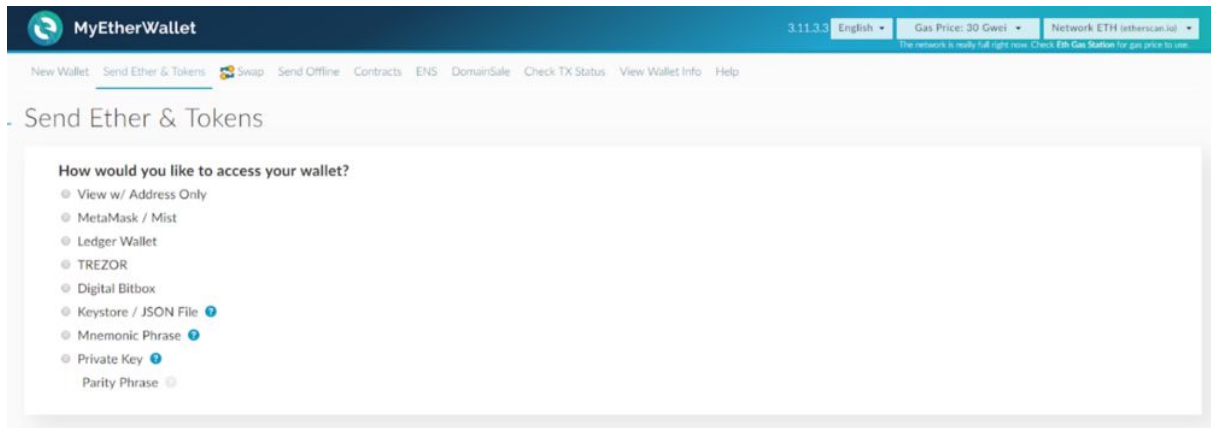

That's it! Your wallet has been created. Again, please make sure you backup your password, private key and KeyStore file in a safe location.

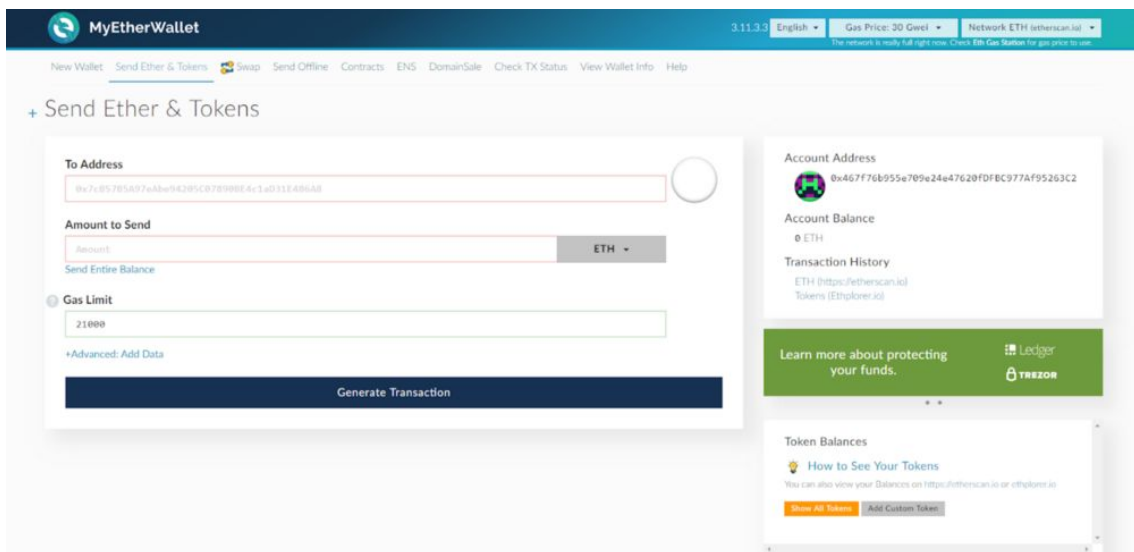

Step 2 — Transferring ETH to Token Sale Address

Go to <https://www.myetherwallet.com/> and select Send Ether and Tokens.

The 'how to contribute guide' to participate in our DEC token sale

Select which method you want to use to access and open your wallet. If successful you will see the following screen:

NOTE: YOUR WALLET MUST CONTAIN ETH TO SEND FUNDS. YOU MUST ALSO HAVE EXTRA ETH AVAILABLE TO PAY GAS FEES

The fields should be entered as follows:

Address	Enter the ETH address provided by the Property Coin dashboard to send your funds to.
Amount to Send	Enter the amount of ETH you are required to send.
Gas Limit	Set to 300000. If network is congested increase to 50000.
Gas Price	Dropdown in the top right corner of your screen. Should be set to 30 Gwei.

When all the fields are complete click 'Generate Transaction' and then 'Send Transaction'. The funds are now sent, check the transaction to ensure the transaction has been confirmed.

NOTE: DOUBLE AND TRIPLE CHECK THE ADDRESS TO ENSURE YOU ARE SENDING TO THE CORRECT ADDRESS

Once you have transferred the desired funds you can send us an email to verify that your funds have reached us. Please always state the TX together with your source wallet address. This will help us to locate your transaction quickly.

You will receive your DEC tokens to your ETH wallet once the Token sale has ended.

BACK TO THE DASHBOARD

Let us quickly go through the menu options on the left:

ORDERS

You will see all placed orders, any bonus and the source and destination address of the order.

Date	Source Currency	Source Currency Amount	DEC Amount Ordered	Bonus amount in DEC	Total Amount in DEC	Source Address	Destination Address
04/06/2018	ETH	10.0	7669.060	1533.812	9202.872	0x1231681646d4a755815f9cb19e1acc8565a0XXX	0x6050b27b6ccc

TRANSACTION HISTORY

An overview of all ETH and BTC funds sent.

The 'how to contribute guide' to participate in our DEC token sale

MASTER WALLET

Your ETH wallet to which you will receive your DEC. If you have to make any changes to it, please email reach@darico.io

The screenshot displays the Darico.io dashboard. On the left is a navigation menu with icons and labels for DASHBOARD, ORDERS, TRANSACTION HISTORY, MASTER WALLET (highlighted in yellow), and PROFILE. The main content area is titled 'WALLET' and includes a table with the following data:

KYC PROGRESS	MY ACCOUNT	CURRENT BONUS	REWARDS
APPROVED	Ordered: 9202.87 DEC Purchased: 0.00 DEC	20%	100.00 DEC

Below the table, it states 'ETH wallet - The address where your DEC tokens will be delivered.' and shows the address `0x123f681646d4a755815f9cb19e1acc8565a0XXX` with a 'Copy' button.

STILL QUESTIONS?

I hope you found our guide useful and all your questions have been answered in it. However, if you are still unsure about some aspect of contributing and purchasing DEC, feel free to reach out to us. We are always happy to hear from you - <https://darico.io/en/contact/>
